Idaho had never been to this part of the forest, and it looked a bit dark and foreboding. He was glad that Raven and Flint were beside him and that they were all heading on 'The Long Walk' together.

Flint was a small mountain yeti and had read everything she could get her paws on about yeti expeditions.

AARGH

PAGE 10

Raven was a forest yeti like Idaho. He had tried to walk THE LONG WALK the summer before, but had to turn back, because of an angry bear.
