

TROLL AWARENESS

Look at this set of questions and think about the answers truthfully.

- Have you ever posted something online about someone you know they wouldn't want posted or shared in a group chat?
- Have you ever created a fake profile for someone you know for laughs?
- Have you ever signed someone up for something online without their permission?
- Have you ever 'liked' something mean or cruel because it was posted by a friend?
- Have you ever messaged or chatted pretending to be someone else?
- Have you ever shared something on someone else's account behind their back?
- **Where should the line be drawn between 'having a laugh' and cyber bullying?**
 - **What sort of an impact could 'a laugh' online have on someone on the receiving end whose vulnerable?**
