## MOON DUST WRITING

Practise your 'Fine Motor Skills' by copying our Space Walk Cards in moon dust.

Draw yourself a yeti-naught on a lolly stick to use as your pencil, or use your finger or paw.

### Ingredients:

- Grey Tempera (water based) Paint
- Cooking Salt.
- Glitter (optional)

- Put your salt in a bowl and add enough paint to mix through without it getting too wet
- Mix until the colour is even throughout.
- Spread out on an old tray to dry overnight.
- Break up any clumps by hand and add your glitter.
- Print out your moon walk cards and have your lolly stick yeti-naught ready to go!
