

## PEG A PLANET

Have fun learning about the planets with the 'Peg A Planet' game.

- Find a piece of strong cardboard and paint it black.
- Print and cut out the planets on the next page.
- Glue them onto the card in the order shown.
- Write the names of the planets and the Sun on a set of twelve wooden clothes pegs.
- Practise pegging them onto your cardboard to help you to learn the order of the planets in our Solar System.
