

Hello People-Friends!

Wow, I loved the sandwich, it was delicious !!!
I made one for me and my friend to share when we
were playing outside last night.

We would really like to explore around your
house when everyone has gone to bed. How will we
know where the good places are to play? Could you
help us find out?

We've been practising our ROARS lots together
and singing our roaring songs lots. You can listen to
some yeti songs too ... ask your grown-up to play
them for you and have a boogie with the yeti band.

Be ROARSOME! Xx

Me and my friend singing with our sandwich
