

OUR ROARSOME

YETI ADVENTURES

We'd love to hear more about your yeti weekend! Ask your grown-up to help you draw a yeti picture below and tell us about it.

It's your **YETI** weekend turn
your friend has come to stay.
We're sure that you'll have fun galore,
with all the things you'll play.
And anything you choose to do,
believe us (cause it's true).
Your friend will have a **ROARSOME** stay
just being there with you !

My name is:

Y23T23

Ask your grown-up to take photos of
your yeti weekend and send them back to
your teacher to stick on the next page.
