

SECRET YETI AGENT CHALLENGE TWO AWESOME ACCENTS

As part of your mission as a Secret Yeti Agent, you might need to change your voice as part of a disguise or when you're talking on the phone.

Yetis practise disguising their voice by saying this phrase:

The yellow yeti yawned yesterday.

Cut out these squares, fold them in half and then put them in a tub. Take turns to pull one and try to say the yeti phrase changing how you sound.

An Old Yeti	A Sad Monkey	A Posh Penguin	A Huge Hippo	An Angry Giant
A Scared Bee	A Brave Bear	A Grumpy Toddler	A Happy Dog	A Sneaky Snake

You could try saying the phrase with a different accent. Try sounding Glaswegian, Cockney, French, Australian or Irish.
