

**SECRET YETI AGENT
CHALLENGE FOUR
MAKE A YETI DEN**

Make a Yeti Secret Agent Den in your bedroom where you can go to practice writing secret codes and complete some of your challenges.

Draw some yetis, cut them out and stick them all together on a large sheet of paper to make a 'Secret Yeti Den' sign.

You could include other spy-type features like magnifying glasses, binoculars, walkie-talkies or dark glasses.

Make sure to add our hand scanner for extra security!
