

# SECRET YETI AGENT

## OUTSTANDING OBSERVATION

Using primary colours, black and white as your base ingredients, try to recreate the colour on your swatch. For each attempt, write down how many drops of each base colour you used and paint a square of the outcome. Use your findings to move as close as you can towards matching your swatch.

3 drops red + 3 drops yellow

1 red + 2 yellow + 1 white

2 yellow + 1 white

1 white
