

FIREWORKS AT THE GOLDEN TEMPLE

Make some amazing fireworks for Roary and Lotus to watch at the Golden Temple.

1. Find some black paper, or paint some paper black and let it dry.
2. Cut the bottom of a toilet tube into strips and bend backwards as shown. (This can be repeated with tubes of different sizes if desired).
3. Dip in brightly coloured paint and carefully print your exploding fireworks on your black paper.
4. Cut out Roary, Lotus and The Golden Temple and glue them to your picture.

Cut out and add this picture of The Golden Temple to your picture, so Roary and Lotus can enjoy your fireworks!

Ask a grown-up to help you with the tricky bits!
