

TOILET TUBE GNOMES GIFT BOXES

You will need:

cardboard tubes, red and green paint, brushes, stapler, cut out nose and beard glue stick, message or treat for inside.

- Paint half your toilet tube red and half your tube green.
- Once dry, squeeze together and staple the bottom of the tube and drop your message or small treat inside.
- Turn 90 degrees, squeeze and staple the top of your hat to make the shape shown in picture 2.
- Cut a beard and nose shape and attach to the front of your box with a glue stick.
