

Strange scary
hooting noises.

TWIT
TWOOOO

Stung by bees
climbing for honey.

Nearly walked into
a human camp.

Feeling really
tired and need
to stop walking.

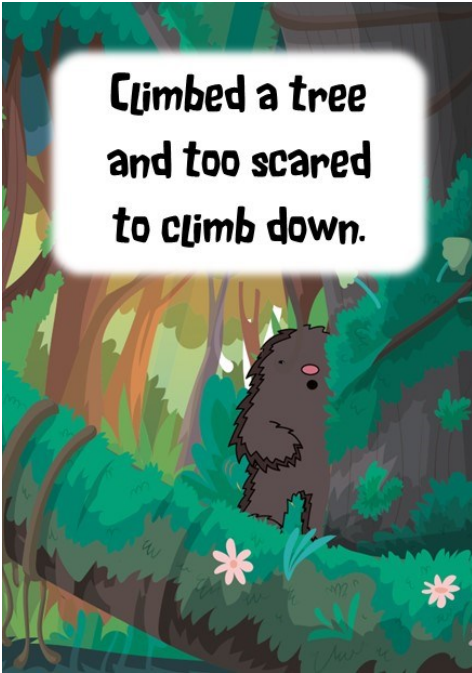

Path forks in
different directions.

Can't find the
entrance to
the yeti cave.

Meet a grey yeti
who thinks your
too small to walk
'The Long Walk'.

Strong wind
blowing through.

**Climbed a tree
and too scared
to climb down.**

**Heavy rain
soaks your fur.**

**Sat on a stinging
nettle patch.**

**Nearby bog smells
REALLY bad!**

**Fallen tree
blocking path is
too heavy to lift.**

**Need to cross
the river.**

**Huge grizzly bear
on the path ahead.**

**Rocks are slippery
at the bottom of
the mountain.**
