

# SCRAP PAPER CHRISTMAS TREE

You will need:

Cardboard triangles, lolly stick, glue, scraps of tree coloured paper,

- Glue strips of tree coloured paper over your cardboard triangle. Vary the shades of green and yellow for the best effect.
- Once dry, turn over your tree and trim the paper at each side to match the cardboard.
- Glue on a lolly stick for your trunk.
- Decorate with a star and any other appropriate sparkly resources.

Trim along each edge.
