

WHAT DOES SUCCESS LOOK LIKE TO YOU?

Imagine there were no obstacles you couldn't overcome and nothing held you back ...

Close your eyes and picture your best version of the future.

Where would you live? What would your house be like? What would your job be?
How would you be treated at work? What would your family be like? How would they feel
about you? What type of car would you drive? Where would you go on holiday?
What would you do to relax? What sort of things would you do with your friends?

A large, rounded rectangular area with a thick black border, containing 18 horizontal lines for writing.
